Naming the sacred and ordinary events that are recognized in the daily life of individuals and households.

Equipping brings the generations together, builds community, invites conversation, encourages storytelling, and provides information.

Blessing the individual and marking significant occasions in the home will declare God's presence in meaningful ways.

Gifting is a tangible, visible item that serves as a reminder or symbol of the occasion being marked.

These four elements—Naming, Equipping, Blessing and Gifting—are incorporated into stepping stones into our faith life.

Faith Formation Stepping Stones: passing on the faith from generation to generation

Faith Formation Stepping Stones brings an awareness of the presence of God not only to children but families and individuals of all generations through a partnership between home and congregation.

The events offered are to build community, to have fellowship and to give parents ways to teach faith at home to their children.
