MEN'S BREAKFAST AT CHURCH SATURDAY, MARCH 18, AT 8 AM!

Host Ken Black declares that all men are welcome. There's plenty of food, chairs, and parking!

COULD YOU FILL EGGS?

Christians know that Easter is about God's astonishing gift of new life to and through Jesus, who was crucified. The culture has turned it into a spring festival that features eggs, bunnies, and candy. We want kids to be excited about Easter in any event, and so Pointe of Grace is providing Easter egg hunts for eight classes of children in our Harbour Pointe Christian Preschool.

The egg hunts will be held on April 5, 6, and 7. We need helpers to take eggs home and fill them. We can provide prizes for some of the eggs and you can provide candy—but absolutely no peanut ingredients! Filled eggs are due back at church by April 2, or drop them off on Tuesday, April 4. Colleen Nollette knows all the details (425-308-5390).

Right: Susan Torgerson, Wednesday volunteer staff, often does helpful organizing projects. Here she's cleaning the sound booth. She's in from 1-4 PM.

WELCOME SUNDAY'S LEADERS

The Rev. Kevin Nollette (left) preaches and presides at Grace Sunday morning. Dianne Herviel leads music. Paul Ingram teaches the adult study on chapter 4 in Walter Brueggemann's book, *Mandate to Difference*. Children and Family Minister Heather Ingersoll assists Evelyn Seymour with our intergenerational Sunday School. It takes a community!

LEARN TO UNDERSTAND, OVERCOME OUR AREA'S FOOD INSECURITY

Cherrie Wallace, master gardener at the Pointe of Grace teaching garden, invites interested and concerned persons to collaborate to address food insecurity through a free county-wide workshop on Thursday, March 23, in Snohomish from 9 AM-noon. <https://www.eventbrite.com/e/food-for-thoughts-community-collaboration-for-food-insecurity-programs-tickets-32352621562>
