The Holy Trinity

Our Schools

It's been a busy, active and fun spring at "Our Schools" at Trinity! Lots of engaging learning for children, special programs for all our families and a few essential fundraisers to benefit the Preschool programs.

Most recently, Trinity's Child Development Center hosted a family barbecue and Art Show featuring art from every age group, from the infants all the way through our school agers. It was wonderful for families to get a family friendly dinner prepared for them when they picked up their child after a long day at work and to be able to celebrate viewing all the children's amazing artwork. All 23 teachers and the CDC's Director Nanette Erban worked hard to make this night special!

At Harbour Pointe Christian Preschool, this year's Spring Sing and Auction at the beginning of May was a huge hit and happened over two nights in order to seat all the families who come out for the big event! This year the Auction raised an amazing \$10,200 to benefit their KidFit

PE program, Music Program, classroom and playground enhancements, and continuing education for their team. HPCP's team who work all year to make this event possible include 10 teachers and Kim Kusilek, the Preschool Director.

Trinity Lutheran Preschool's Spring Sing and Basket Raffle was a fun and enjoyable evening in May. The program featured all of the children and their favorite songs from the past year, plus a year in review slideshow put to music. The kids felt so special to share it all with their families. In addition, our annual Themed Raffle Basket Fundraiser netted \$3,000 which has made a new play kitchen for one of the classrooms and lots of playground enhancements! The team at TLP includes 6 teachers and Kris Dudak, the Preschool Director. All of their dedication made a difference in the lives of our kids!

We would like to extend a huge thank you to our TLC family for your dedication to outreach ministry to the community through "Our Schools." Be assured we are making a difference everyday!!
