Organ Recital: Wyatt Smith

Sunday, February 17, 7 PM

Artists at the Organ welcomes Seattle area concert organist Wyatt Smith to the Pasi organ for their next concert. Mr. Smith is a native of Rapid City, South Dakota. His performances have been heard on several episodes of American Public Media’s “Pipedreams”. Michael Barone of “Pipedreams” writes, he performs with “nuance, polish and personality”.

Wyatt serves as the Associate Director of Music & Communications Minister at Epiphany Parish of Seattle, and is the Affiliate Artist in Organ & Harpsichord at the University of Puget Sound in Tacoma. Wyatt is currently a doctoral student at the University of Washington in Seattle, where he studies organ performance with Dr. Carole Terry.

Please join us for a program titled: J. S. Bach, The Master, His Teachers, and Followers—music by Buxtehude, Bach, Mendelssohn and Reger.

Suggested donation: $15 for adults, seniors and students $10 or pay as able.

These concerts are self-sustaining and are made possible by the generous contributions of friends of “Trinity Artists at the Organ” recital series.

Since this will take place during Lent, that can be a theme idea, but any other theme or subject is fine. Art can be visual (photographs, painting, etc.), quilting, glass, sewing handiwork, or any other craft work. Artists do not need to be professional and all ages are encouraged to participate. Watch for more information soon.
