COVID-19 Precautions for Indoor Memorial Services

Effective 2021-07-08

- 1) Self-screening posters at door.
- 2) Facial coverings required for all attendees, regardless of vaccination status.
- 3) Speakers and/or soloists only allowed to remove mask when addressing congregation (maintain 20' of physical distance while singing without mask).
- 4) Choir performances, if applicable, must maintain facial coverings and physical distancing.
- 5) Increased air circulation measures, including:
 - a. Doors and skylight opened
 - b. Fans running
 - c. HVAC fan running, with MERV-13 filters
- 6) Communion served in individual packages, if applicable.
- 7) Indoor receptions are not currently an option due to the required facial coverings. Please feel free to converse outside with friends and family following the service. Organized receptions will be added in stages as we continue to learn and move forward.
- 8) Thorough surface cleaning will occur before and after all memorial services, with cleaning rates as determined by custodial services.
