

## Neighborhood Youth Alliance

### Guiding Principles

Provide basic educational and life skill support to the children in a manner that embraces the diversity of ages, educational levels, lifestyles and family backgrounds.

Provide a safe sense of community that children and parents trust.

Saturday Mornings  
8:30 - 10:30 am

## ▶ Neighborhood Youth Alliance

The Neighborhood Youth Alliance provides safety, community and play for two hours to kids who live challenging lives.

The program is designed to give homeless and low income children basic educational survival skills -- literacy and life skills and creative play.

Saturday Mornings 8:30 - 10:30

### Every Saturday Morning Neighborhood Youth Alliance

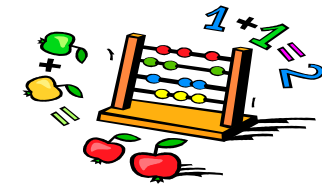

Offers targeted educational activities, life skills and creative play to support to 25 and 45 homeless and low income children.

Supporting kids,  
Lending a hand

Helping school age children — some unable to attend school — write, recognize numbers and learn life skills like dental health and exercise.

Neighborhood Youth Alliance cannot ignore the basic education survival needs of the children.

Held in conjunction with our Saturday Morning program.

Trinity's *Neighbors in Need* Program has seen a tremendous increase in attendance this past year. This is due to economics in our area and by word of mouth that Trinity is a caring community. Our volunteers typically serving more than 110 guests in a 2 hour period on Saturday mornings who are extremely glad to be there. *Neighbors in Need* welcomes our guests each Saturday morning from 8:30 - 10:30 AM.
